

Georgia Institute of Technology,
University of Tennessee
& Southern University of Science and Technology
Present:

INTERNATIONAL WORKSHOP ON THE NEXUS OF FOOD-ENERGY-WATER (FEWS) SYSTEMS

“食物-能源-水” 系统关联国际研讨会

Organized by:
Professor Yongsheng Chen of Georgia Institute of Technology,
Professor Jie Zhauang of University of Tennessee
& Professor Junguo Liu of Southern University of Science and Technology

Join us for 3 interdisciplinary workshops:

1 IDENTIFY GRAND CHALLENGES AT THE NEXUS OF FOOD, ENERGY & WATER SYSTEMS

*featuring presentations from leaders in
Food, Energy, and Water systems research*

2 DEVELOP INTERNATIONAL, TRANS-DISCIPLINARY COLLABORATION FOR RESEARCH ON FEWS SYSTEMS

*Participate in brainstorming sessions to conceive
novel solutions and new research frontiers*

3 DISCUSS MULTISCALE APPROACHES TO IMPROVE FEWS SYSTEMS

*Discuss new projects and joint research and funding
opportunities, including Chinese & American NSF*
